NAAC Accredited B Grade (3<sup>rd</sup> Cycle)  
Recognized by UGC under 2(f).  
Affiliated to Gauhati University, Assam.

## TIHU COLLEGE AT A GLANCE

Tihu College, Tihu is a premier institution of higher education in Assam, India. Accredited with a 'B' Grade (3<sup>rd</sup> Cycle) by the NAAC, Bangalore, the College has the distinction of being a three stream college with Arts, Commerce and Science. The college offers Undergraduate Courses in altogether 16 departments, besides offering Post-Graduate Courses in 2 departments at present. Established on 4<sup>th</sup> July, 1963, the College was affiliated to Gauhati University, Guwahati in 1963 itself and was brought under Deficit Grants-in-Aid system of the Govt. of Assam in 1969. The College was provincialized by the Govt. of Assam in 2005. The long and eventful history of this glorious institution for the last six decades is studded with brilliant records of academic as well as extra-curricular achievements. With an aim to imbibe the spirit of holistic education, the College has been striving hard to provide vistas to the students to uplift the standard of their life. The College has remarkably developed its infrastructure at par with the requirements of changing needs of the students. It's natural, in such a backdrop, that students of the college have shown their exuberance and potential in the state and the national level too. Tihu College has the glorious history of organizing Gauhati University Inter-College Football Tournament in 1987 and the G.U Inter-College Zonal Youth Festival in October, 2017. The College Fraternity extends its warm welcome to fresh students and bonafide scholars for a constructive, eventful and memorable academic life and beyond.

## PRINCIPAL SPEAKS...

I congratulate you all on completion of your qualifying courses and welcome you to this prestigious institution. I am glad to have you as one of Tihu College fraternity and assure you that all your enthusiasm and endeavours and prudent guidance from our teachers will enable you translate your dreams into reality.

Ever since its inception, Tihu College has been an epitome of educational achievement and human resource development. Being a sexagenary institution, the college has brilliant records of excellence in academic, co-curricular and extra-curricular arenas. We pledge to give our best to our students, to make them better citizens, to help them live better in a challenging world. We see to it that the knowledge our students garner here will pave way to their destination. Therefore, after introducing courses like BCA and PGDCA, a one year Diploma in Food Processing under the Community College Scheme of the UGC was introduced from the year 2014-15 and have been instrumental in creating vistas for entrepreneurs from the locality. Keeping in view the easy accessibility of higher education, the College started regular Post-Graduate courses in Education and History from the academic session, 2017-18, fulfilling the long felt demand of higher education aspirants. We have now been planning to introduce Post-Graduation in English and Geography too, proposals of which have been under process.

The Dept of Zoology of our College has been rendering projects to produce vermicompost. Efforts are on to ingrain in students the modern technological consciousness by rendering teaching with modern scientific and technological paraphernalia like digital and multimedia classrooms. A new and modern Conference Room with 80 seat capacity has been active to facilitate departmental seminars/ workshops. Moreover, quality training sessions and career counseling for those opting for competitive examination en route to services are also equally entertained.

You will be happy to know that there have been constant efforts to develop infrastructure to provide best facilities to our students. These efforts have finally been materialized into reality with General Development Assistance of Rs. 1 crore from the Govt. of Assam and our Hon'ble Rajya Sabha MP and former Prime Minister Dr. Manmohan Singh's grant of Rs. 40 lakh from MP LAD. It is to be mentioned here that the Administrative Building and the Central Library have already been operative and the ground floor of the project was completed in 2021. New classrooms and an IT Lab have already been constructed with the assistance of RUSA grants.

I am happy to inform you that the Star College Scheme under the DBT, Govt of India for vertical upliftment of the college has been granted to three science departments- Botany, Physics and Chemistry- for three years. These grants have been bolstering the quality of education imparted by our college in the upcoming times.

Co-curricular activities being part and parcel of a student's life, Tihu College leaves no stone unturned to promote various talents in this respect. The College successfully organized the Gauhati University Inter-College Zonal Youth Festival in 2017. Many students from our college have performed brilliantly over the years in both state and the national scenario in various competitions and programmes, including Gauhati University Youth Festivals every year.

Dear students, it is you without whose devotion, perseverance and co-operation we cannot spell success. I earnestly hope and believe that your days ahead in this prestigious institution will be crowned with lucrative and noteworthy achievements.

# TIHU COLLEGE - A PROFILE

Tihu College has been one of the premier institutions of higher education in Assam. Having trodden 61 odd years of spreading illumination in society, the college has celebrated its Golden Jubilee in March, 2013, and Diamond Jubilee in February, 2024 last. Tihu College was established on a very auspicious day, July 04, 1963, fulfilling the dream of acquiring quality higher education for the people, inculcated by a group of illustrious personalities with support from the rural masses of greater Tihu area. Under the dynamic leadership with relentless and untiring efforts, of Late Sailendra Prasad Medhi, the founder Principal of the College, it grew into one of the premier rural institutions imparting education right from H.S. to Undergraduate and Post-Graduate levels. The College has come across a long way with more than six decades of eventful history behind it catering to the needs of the students opting for higher education in the greater Tihu, Namati, Barama, Mushalpur, Doomni, Khetri and Dharmapur areas of Nalbari, Baksa and Barpeta districts of Assam. Even after the emergence of almost a dozen of colleges in the same hinterland, Tihu College still continues its rich intellectual heritage and academic ethos.

Beginning with the Arts Stream (in night shift) in the year of its inception, the College was first housed in the Tihu Gandhi Bhawan. It was affiliated to Gauhati University in 1963 itself. Subsequently, the College was shifted to the present site on 15th of August, 1966. It was brought under the Deficit Grants-in-Aid system by the Govt. of Assam in 1969. Since then the College has been showing the marks of progress in all respects to the satisfaction of the students and guardians alike, along with the elite education-enthusiasts of this vast area. The serene beauty and eco-friendly campus of the College with calm green surroundings is conducive to the pursuit of academic activities.

Over the years, Tihu College has burgeoned, from its nascent stage, to a centre of quality education, nurturing simultaneously both scholastic and non-scholastic curricular endeavours. The long sixty-one years of this glorious institution's march have been filled with a brilliant train of academic performance in the examinations conducted by the G.U. & AHSEC, accompanied by numerous extra-curricular achievements and accolades every year.

With the full-fledged streams of Arts and Science and Major course in almost all the teaching departments, Tihu College continues to add new feathers in its cap so far as its academic excellence is concerned. Besides, the College has already introduced self-financed courses in the Commerce Stream in the undergraduate levels from the academic session 2015-16, with provision of Major Courses in Accountancy and Management. As such, the College has emerged as a full-fledged three stream academic institution. In view of the current demand and changing scenario, the College has introduced such professional and career-oriented courses like Three Year BCA and One Year PGDCA courses. Since 2011-12, Tihu College has been successfully implementing the semester system in undergraduate levels introduced by Gauhati University. From the academic session 2019-20, the College implemented the Choice Based Credit System (CBCS) and FYUGP from 2023-24 in the Undergraduate levels. Moreover, regular Post-Graduate courses under Gauhati University, in Education and History, with an intake capacity of 22 students each at present, have been introduced from the academic session, 2017-18. The current session will be marked by a few well equipped Digital Classrooms, two multi-media rooms with

necessary audio-visual amenities, and an IT Lab. to ensure fruitful teaching-learning activities.

The aim of all educational programmes at Tihu College is to foster a spirit of academic excellence, to encourage critical thinking, create innovative ways to broaden horizons and discover the liberating power of new ideas and insights. It is, however, a delight to declare that apart from the academic progress the college is moving ahead with the objectives of the fullest exploration of inherent talents of the students in extra curricular arena. The College has a glorious history of organizing the G.U. Inter-College Football Tournament in 1987. In 2017 last, in October, the College successfully organized the G.U. Inter-College Zonal Youth Festival. Tihu College welcomes and entertains the blooming talents with due weightage in admission process and strives to provide all possible infrastructural facilities. There are well qualified, dedicated teachers in each department. It is noteworthy to mention that the College is the first to get assessed within the Nalbari district by National Assessment and Accreditation Council (NAAC), Bangalore in 2004 and was accredited 'B+' grade. The College was accredited for the second time with B+ Grade by the NAAC in the academic session 2016-17, and for its 3rd cycle in 2023-24. It vows to attain further progress and run ahead in the days to come with the tireless efforts and zeal of the teachers, the students, the guardians, the alumni, the society and all related stakeholders at large.

In the new academic session 2024-25, Tihu College extends its warm welcome to the fresh scholars and bonafide students and hopes that its peaceful academic environment with good teaching-learning process would positively help them to reach their goals in life.

# MISSION AND VISION

Tihu College aspires to bring the benefit of higher education to the semi-urban and rural masses, especially to the poorer section of the society, with a more caring and supportive understanding of their socio-economic milieu, which will equip them to meet the challenges of changing times in a much more organized and scientific approach. Special attention has been given to the development of an all-round personality of the students.

## COLLEGE MOTTO:- "MARCH AHEAD FOR EXCELLENCE"

### GOALS

## Departmental Library and Teachers' Common Room

Each Department has a separate departmental common room for teachers along with a Departmental Library, which is enriched with textbooks, reference books and journals of the concerned Department.

### Laboratory

All Science Departments along with Department of Geography, Department of Education and Department of Computer Science have well equipped Laboratory facilities. A new laboratory for Physics Department has been constructed with the aid of the UGC. Special power supply facility has been provided to all these laboratories for smooth conduct of practical classes. Besides, construction works on another multi-storied building to house especially the science laboratories with grants from the Govt. of Assam have already been nearing completion and installation works are also swiftly progressing. The College authority is earnestly working to this end so that the new laboratory with all modern amenities will be fully operative from the current academic session itself.

### Hostel

A well furnished two-storey RCC Women's Hostel with full facilities for accommodation of girl students from far flung areas is operative at present. The Women's Hostel funded by the UGC has 68 seat capacity. All boarders here can have access to modern amenities for their academic and recreational needs.

### Auditorium

Tihu College possesses a large and attractive auditorium named "K.C. Deka Memorial Auditorium". The state of the art auditorium has been renovated during the academic session 2017-18 with all modern amenities. It is acoustic and has modern sound and lighting systems. With comfortable sitting for guests and a seat capacity of 450 persons, it is a readily accessible place to organize all Academic and Cultural programmes, Symposiums, Seminars, Workshops, Training programmes etc.

### Canteen

A well equipped and hygienic canteen has been serving the college family since 2003. Built with financial assistance from the Tihu College Teachers' Unit (TCTU), the canteen is run by a local party on lease. Students as well as teachers too get due facilities here for refreshment during the college hours.

### Chilled Pure Drinking Water

Water is the elixir of life. Pure drinking water is a must for a healthy life. The students can avail chilled and pure UV-treated drinking water within the college campus, in both North and South Blocks, thus ensuring their own health and well-being.

### Playground

The College playground, situated on the east bank of the river Tihu in a sylvan setting, provides facilities for Athletics, Football, Cricket and other Outdoor Games. A beautiful and comfortable pavilion with facilities of dressing room has been constructed for sports persons and guest spectators as well.

Volleyball, Badminton and Kabaddi courts are available within the main campus of the College, in the North Block. Besides, a scientifically framed out Basketball Court has already been constructed in the same block in 2015 and it has been available for the students' use.

### **Gymnasium**

A well-equipped and modern Gymnasium Hall with full facilities is operative from the last academic session. It is constructed with funds spared from the Golden Jubilee Celebration of the College. Tihu College possesses so many modern equipments of Gymnasium which have already been installed in the Gymnasium Hall. Students and local enthusiasts have easy access to these modern equipments.

**Teacher-in-Charge** : Mr. R. Boro, M.A (Double), B.Ed.

### **Day Care Centre**

A Day Care Centre has been built with the aid of the UGC funds within the College Campus for supporting the nutritional needs of the little sons and daughters of college employees during the college hours. It is situated in the North Block of the College Campus.

### **Uninterrupted Power Supply/ Green Power**

For smooth running of classes and other allied activities, Tihu College has already installed a powerful generator each, with 20 kV capacity, in both the blocks within the campus. Another powerful 10 kV UPS has been installed in the Bio-Tech Hub for its uninterrupted and smooth functioning. One more 6 kV UPS has been provided to the Departments of Geography and Mathematics. Moreover, the College has also been trying to generate green energy by installing solar power plants of 2 kW each in Academic Block II, Academic Block III and Women's Hostel.

### **Automatic Rain gauge Station**

It is a welcome gesture of India Meteorological Station, Govt. of India, to allot an Automatic Rain gauge Station at our college. This station will certainly help geography dept. students as well as local scholars to monitor the atmospheric state and rainfall patterns in and around Tihu locality.

### **UGC Star College Scheme**

Tihu College has been brought under the Star College Scheme of the DBT, Govt. of India for the vertical upliftment of the science departments of the college. At present, grants have been allocated for upliftment of the three departments- Botany, Physics and Chemistry- initially for three years. These departments will be facilitated with all modern amenities including laboratory facilities for bettering the standard of education imparted to the students of the concerned departments right from the current academic session.

A highly empowered committee headed by a presiding officer, monitors any kind of abusive or offensive situation against women cadres, both students and employees, thus ensuring safe passage for girl students and female employees within the college campus.

**Presiding Officer:-** Ms. K. Choudhury, M.A.

## On & Off Campus Safety

The College Authority seriously takes the issue of safety of students both inside and outside the campus. The College is away from the hustle and bustle of heavy traffic. Two Security Guards have been appointed to ensure their safety within the College campus. Emergency medical service including ambulance service is readily available in the Tihu First Referral Unit (FRU) within 400 metre reach. On the Educational Field Trips and Excursions, two teachers-in-charge monitor the safety of students off campus. Mobile phones are allowed to be used by students while on such off campus activity.

## Students' Union

The College has a vibrant tradition of democratic representation of students through annual election, the membership of which is mandatory in case of every bonafide student of the College. The teachers too render their services in guiding the students' union with a sense of responsibility as In-charges in different portfolios. The important activities of the Students' Union concentrate on holding Freshers' Social, Annual College Week festival, publication of the College Magazine, conducting Inter-College Debating Competitions, Symposiums, Social Service camps etc.

### (II) Four Year Undergraduate Programme

Tihu College has already implemented the Four Year Undergraduate Programme (FYUGP) at par with the New Education Policy, 2020 (NEP 2020) from the academic session, 2023-24 as devised by the Gauhati University. This new system provides the opportunity of choice and flexibility to the learners to pursue their intended course of study. The intended implementation of the Four Year Undergraduate Programme (FYUGP) is aimed at achieving holistic growth in the learners' knowledge with an eye on imparting entrepreneurial skill component in specific areas as desired by the student scholars that will enable them to become self dependent in their life in society at large. The new FYUGP semester system will also facilitate the student scholars with the facility of multiple entry and exit because of provisions of issuing certificates and diplomas at different stages on completion of one or two years, and the degree at the completion of the 3<sup>rd</sup> year.

A student seeking admission into FYUGP 1<sup>st</sup> Semester (Arts, Commerce and Science) course has to complete the entire course in eight semesters (two semesters per year) as per the schedule framed by G.U. Some important points of regulation and syllabus regarding the new system framed by G.U. are given in the next section.

## UNDERGRADUATE COURSE

### Major Course (Arts)

A student seeking admission into the FYUGP 1<sup>st</sup> Semester may choose minimum one subject as Major Course from the following list:

- (1) Assamese (2) English (3) Economics (4) Education (5) Geography (6) History (7) Philosophy  
(8) Pol. Science (9) Mathematics.

### Major Course (Science)

A student seeking admission into the B.Sc. 1<sup>st</sup> Semester may choose any one subject as Major Course from the following list:

- (1) Physics (2) Chemistry (3) Zoology (4) Botany (5) Mathematics (6) Geography

A student seeking admission into the B.Com. 1<sup>st</sup> Semester may choose any one subject as Major Course from the following two in our college:

### Major Course (Commerce)

- (1) Accountancy (2) Management

## Salient Features: Credit Framework

Each semester of a 4-Year Bachelor Degree (FYUGP) course will have a **maximum of 22** credits with a total of 132 credits for 3-Year Degree Course and 176 credits for a 4-Year Degree Course. Apparently, the Masters Course will have 44 credits in a year with a total of 88 credits in two years. The baseline for total credits is 120 for a 3-Year course and 160 for a 4-Year course. So, a student can choose to have a total credit between 120 and 132 by the end of a 3-Year Bachelor Degree course.

In the 4<sup>th</sup> year, there are however two options – (a) Degree with Honours and (b) Degree with Honours and Research. Overall, a 3-Year Degree course consists of two sections - a **Core Section** and a **Common Section**. While the Core Section consists of Major and Minor papers, the Common Section is divided into 5 sub-groups.

## Multi-disciplinary Courses

These are 3-credit courses spanning over five different groups of subjects – (i) Natural and Physics Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these courses is of Class XII.

## Ability Enhancement Courses (AEC)

These are 8-credit courses covering Modern Indian Languages (MIL) and English Usage (Communication).

## Skill Enhancement Courses (SEC)

These are various skill courses with total credit allocation of 9. In our structure, we shall have four skill courses starting from Semester III.

## Value-based Courses (VAC)

The VAC courses will come from four sub groups – (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. Altogether, they will have a credit allocation of 6.

## Internship

**All students are to carry out an Internship with a credit allocation of 4.**

The base credit score for a 3-Year course is 120 and a student needs to have at least 50% of 120 i.e. 60 credits in a subject to qualify for a major in that subject. In the same way, a minor course will have 12 credits and a student can have two minors with a total of 24 credits. Apart from the Major subject, if a student can obtain 48 credits in a particular subject, she/he will get a double major.

## List of Minor Courses

### Arts

(1) Assamese (2) English (3) Economics (4) Education (5) Geography (6) History  
(7) Philosophy (8) Pol. Science (9) Mathematics (10) Sanskrit

**Science** (1) Physics (2) Chemistry (3) Zoology (4) Botany (5) Mathematics  
(6) Geography

**Commerce** (1) Accountancy and (2) Management

## Add-on Courses

The College also offers a number of Add-on Courses with a view to developing the entrepreneurial skill and ability of the scholars. These are self-financed Certificate Courses delivered at minimal costs. The student scholars can opt for maximum one course per semester. They can contact the respective Head of the Department shown against each course regarding the admission procedure, timeline for completion, the applicability and usefulness of a course etc.

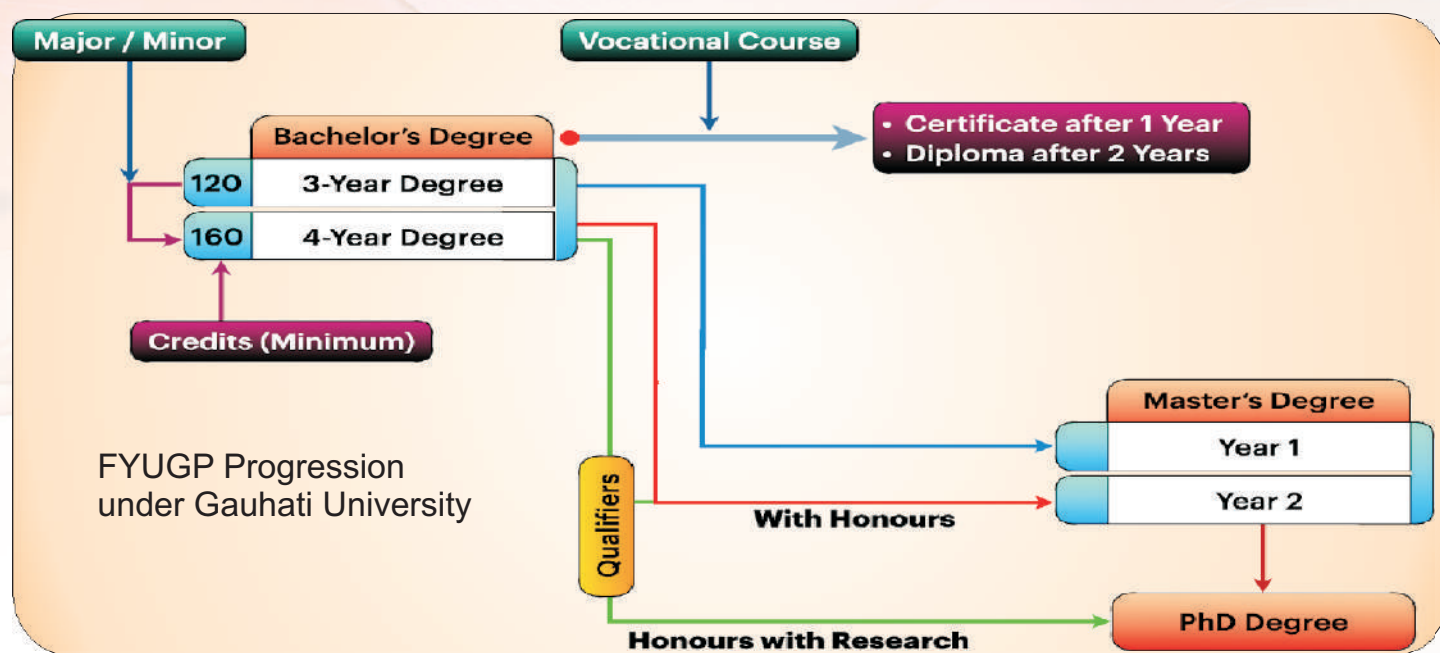

### List of Add-on Courses

(1) Spoken English (English) (2) Abhinay Kala (Assamese) (3) Cultivation of Edible Fungi (Botany) (4) Organic Farming (Economics) (5) Geographical Information System (GIS) Mapping (Geography) (6) Chemistry of Cosmetics & Perfumes (Chemistry) (7) Heritage of Assam (History) (8) LaTeX (Mathematics) (9) Life Skills (Education) (10) Yoga & Meditation (Philosophy) (11) Repairing & Maintenance of Common Household Electrical Appliances (Physics) (12) Conversation in Sanskrit (Sanskrit) (13) Vermiculture & Vermicomposting (Zoology) (14) Civil Services as Career Options (Pol. Science)

### Important Characteristics of the Four Year Undergraduate Programme (FYUGP) under Gauhati University

- (1) There will be eight semesters covering 4 (Four) years.
- (2) Definite weightage has been given to internal assessment.

Internal assessment / evaluation	=	20%
External ( semester end ) evaluation	=	80%
- (3) There shall be one sessional examination in each semester.
- (4) There is provision for clearance of absent or failed papers.
- (5) There are primarily five types of courses in FYUGP - Core Course, Common Course, Ability Enhancement Course, Skill Enhancement Course and Value Added Course.
- (5) The system is more learner-centric and learner-friendly as it offers the students both flexibility in completing a course and facilitation of more choice.
- (6) One credit implies one full theory class hour. If there is a four credit course, it implies that the course will be delivered four hours a week. In case of subjects having practical classes, one credit will comprise of two one hour practical sessions.
- (7) Number of credits will depend on the number of classes attended by a learner.
- (8) A learner must attend a minimum of 75% of classes to become eligible to sit in the semester end examination.
- (9) There will be both Major and Minor Course papers in case of scholars offering Major Courses side by side the Ability Enhancement Course (AEC), Skill Enhancement Course (SEC) and Value Added Courses (VAC) spread across the undergraduate programme.
- (10) Those offering only Minor Courses, will also have Ability Enhancement Course (AEC), Skill Enhancement Course (SEC) and Value Added Courses (VAC) side by side the regular courses of study
- (11) The course layout scheme for the entire undergraduate programme including the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> semesters is available in the Gauhati University Web Portal. Students can easily access all relevant information regarding the syllabi for different programmes and the course structure and content from the portal in the university website [www.gu.ac.in](http://www.gu.ac.in). The 4<sup>th</sup> year of the programme will, however, rely more on research than on theoretical academic preoccupation.

## BCA & PGDCA Courses

Six Semester Bachelor of Computer Application (BCA) & Two Semester Post Graduate Diploma in Computer Application (PGDCA) courses have been introduced under the regulations of Gauhati University. These two job-oriented courses are meant for interested students of the community. ## "CLEANLINESS IS GODLINESS"

–Mahatma Gandhi

Your College is a temple of knowledge. It is your duty to maintain the beauty of the college. Spitting, throwing waste indecently, destroying college property, making noise and loitering in the college campus are strictly prohibited. Violation of these may lead to pecuniary fine or expulsion from the college or both.

**NOTICE**

No. F.1-21/2009 (Anti Ragging)

March, 2012

In pursuance to the Judgement of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No. 887/2009, the University Grants Commission has framed "UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009" which have been notified on 4th July, 2009 in the Gazette of India. These regulations are mandatory for all Universities/Institutions. The UGC has made it mandatory for all students/parents to submit anti ragging related affidavits to the institutions at the time of admission.

Now it is brought to the notice of all Universities, Institutions, Students and Parents that these affidavits can be downloaded from the web site of UGC and or related other web sites.
